1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a residential customer of Duke Energy.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I would like to object to any rate increase imposed by Duke Energy. I have a family that includes two children in college. I also have many other household expenses and am tired of them(Duke Energy) seemingly always with their hand in our pockets asking for more. This has to stop now! Duke shouldn't be allowed to steal from homeowners any longer like common criminals. Other criminals that break in and take things from homes go to prison. I, for one, along with many other people have a voice and need to be heard on this issue. Please DO NOT allow this to happen again.

Regards,

Stanley Tunnell

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
